Message from the Chairperson

Despite a successful season once again for Gosnells & Districts Little Athletics Centre, the season was sadly brought to an abrupt end by the arrival of COVID-19 in Western Australia and the restrictions that came with it. Unfortunately, the LAWA State Championships were cancelled on the day they were due to start and so many Little Athletes across Western Australia, including our own at Gosnells, were disappointed they could not compete at these Championships, an event that should have been the pinnacle of their season.

Although this disappointment was heartfelt by all, it was most devastating for that cohort of U17 athletes for which the 2020 LAWA State Championships was to be their final State Championships in Little Athletics, as well as those athletes aiming to become part of the State Team participating at the Australian Little Athletics Championships (ALAC) or the International Team due to travel to Singapore. Traditionally, we have always had athletes competing in both of these teams.

Looking ahead, it seems that COVID-19 will continue to impact our lives and our sport into the future but as we all rise to the challenges that this brings, I believe we can still support our young athletes in the best possible way to enjoy their participation in athletics and strive to achieve their own personal goals during the coming season.

So, while I cannot congratulate any of our athletes for being selected for one of the State Teams, I can congratulate our U17 Boys 4x100m Relay Team, who won Gold and broke the State Record at the State Relays (insert names). Our U17 Girls won Silver in the 4x400m and Bronze in the 4x100m at the same event. Then, later in the season at the State Combined Event Championships, Jake Teague (U17 Boys) and Chanelle Myburgh (U17 Girls) both won Silver medals.

The U17s, our biggest age group at 21 [13 Boys and 8 Girls], left us at the end of last season. Quite an achievement to have so many still competing at this age in Little Athletics. I hope they continue to take part in athletics in the future and they manage to maintain the friendships they have made throughout their time at the Centre.

Similarly, I hope we can foster this type of lasting friendship and love for athletics in our younger athletes at the Centre this season and for the new era ahead.

I'd like to wish the best of luck to all our athletes this season.

Centre Club Awards

Champion Club Overall

The Overall Champion Club is awarded to the Club whose athletes have earned the highest cumulative number of points for a season, regardless of athlete numbers.

Champion Club Shield- Handicapped

The Champion Club is decided by dividing the total number of points achieved by a Club's athletes by the number of registered athletes in the Club. If an athlete has never competed at all but is still registered, they will not be included. However, it is the responsibility of each Club's Registrar to advise the Centre Recorder if a registered athlete has not competed at all.

Club Walks Shield

All athletes competing in walking events during Saturday competition receive points. Athletes who compete but are disqualified receive one point. The winning Club is decided when the total points received by a Club is divided by the number of registered athletes in the Club

Centre Combined Event Shield

The Multi-Event Shield is decided by dividing the total number of points achieved by a Club's athletes during the Centre Multi-Event Championship, by the number of athletes that competed on that particular day.

Individual Awards - Championship Awards

Participation Awards

Participation trophies are awarded to all boy and girl U6 athletes. This age group do not receive age champion trophies.

Age Champions

Trophies are awarded to Champions and Runner-up in each age group U7 to U17.

To be eligible athletes must reach a minimum number of points.

If athletes do not reach the minimum points a Best Performer trophy will be presented to the highest point scorer for that age group and no runner-up trophy will be awarded.

Junior-Senior Champion Boy-Girl

The total number of points achieved by the Champion athlete of each particular age group is calculated and divided by the number of possible events they can participate in for their particular age group. The highest point Boy - Girl scorers, for the U7 to U11 age groups after the calculation, are awarded Junior Champion Boy - Girl. The highest point Boy - Girl scorers, for the U12 to U17 age groups after the calculation, are awarded Senior Champion Boy - Girl.

Endeavour Award

This award is given to the athlete with the most personal bests for the season in each age group, provided they did not win an age champion trophy. To be eligible an athlete must have achieved a minimum of 15 personal bests for the season.

Years of Service Award

Athletes who are competing in their 5th, 7th, 9th or 11th year with the Gosnells and Districts Little Athletics Centre are entitled to receive the years of service awards. An athlete shall receive the year service award for the year they are currently competing following submission for the award to the Centre by the Club. The trophy is only for recognition of years competing with the Gosnells and Districts Little Athletics Centre.

Sportsmanship Awards

The intent of these awards is for the recipient to be recognised for endeavour and sportsmanship and is not to be a high achiever, in terms of winning medals and trophies.

Judyth Watson Awards

Each Club nominates two athletes, a Boy and a Girl from the age groups U7 to U10, and their names are presented with a resume to the Gosnells and District Little Athletics Centre Executive Committee. The Executive Committee select the Boy and Girl award winners from the athletes nominated. To be eligible for the award athletes may be in their first season of athletic competition; may be a winner of a Team State medal (Track or Field Relays); should be an athlete who attempts all events and tries their best while enjoying athletics; should be a good Club member willing to offer assistance to other athletes and adults; should be a good sportsperson but not necessarily a champion; and cannot be a winner of an age group trophy.

Ritchie Smith Awards

Each Club nominates two athletes, a Boy and a Girl from the age groups U11 to U17, and their names are presented with a resume to the Gosnells and Districts Little Athletics Centre Executive Committee. The Executive Committee select the Boy and Girl award winners from the athletes nominated. To be eligible for the award athletes must be in at least their second year of athletics competition with the Gosnells and Districts Little Athletic Centre; may be a winner of a Team State medal (Track or Field Relays) but not a winner of an individual State medal; should be an athlete who attempts all events and tries their best while enjoying athletics; should be a good Club member willing to offer assistance to other athletes and adults; should be a good sportsperson but not necessarily a champion; and cannot be a winner of an age group trophy.

Life Membership

Members nominated for Life Membership must have completed eight (8) years' service. The eight (8) years shall consist of a minimum of four (4) years on the Executive Committee, plus an additional four (4) years on Executive and or Club Committees. Years of service as Key Official at the Centre may be considered in place of years on Club Committees.

Points System

The Centre Recorder uses the Timing Solutions Programme, provided by LAWA, to calculate points for Centre competition days. Points are awarded to each athlete, for each event they compete in, calculated on either the time - height - or distance achieved in comparison to the State Record for that event.

Should an athlete achieve a Centre Record in an event on competition day, an additional 5 points is awarded to that athlete

The Athlete and the Sun

Exposure to the sun's harmful ultraviolet radiation leads to changes in the skin and can lead to skin cancer. Prevention and early detection are the keys to reducing the risk of developing cancer. While it is recommended that you stay out of the sun during the middle of the day (10.00am – 2.00 pm) athletics meetings and many other sporting events do not always allow this to happen. For effective protection from the sun and its harmful ultraviolet rays while at Little Athletics events you should:

- use shade wherever possible
- wear tight weave clothing that covers the body
- wear wide brimmed hats
- wear close fitting, wrap-around sunglasses that meet the Australian Standard
- apply a broad spectrum SPF 30+ sunscreen

Always remember to:

SLIP on a shirt
SLAP on a hat

SLOP on SPF 30+ sunscreen
WRAP on some UVR resistant sunglasses

Codes of Behaviour

Athletes

- Compete according to the rules
- Any form of cheating is unacceptable
- Never argue with an official. If you disagree with an official, have your club protest officer, coach or manager follow the appropriate procedure in order to question the decision
- Control your temper. Verbal or physical abuse of officials or other athletes, deliberately distracting or provoking another athlete is not acceptable or permitted
- Work equally hard for yourself and-or for your club-centre as both will benefit
- Be a good sport. Applaud all good performances whether they are by your club-centre, your opponent or the other club-centre
- Treat all athletes as you would like to be treated. Do not interfere with, bully or take unfair advantage of another athlete.
- Co-operate with your coach, club-mates and opponents. Without them, there would be no competition.
- Compete for the "fun of it" and not just to please parents, coaches and spectators
- Avoid the use of bad language, and-or derogatory language based on gender, race, colour or religion
- Substance abuse of any kind is unacceptable
- Be prepared to be accountable for your actions

Parents

Encourage children to participate, if they are interested. However, if a child is not willing, do not force them

- Remember that children are involved in Little Athletics for their enjoyment, not yours
- Focus upon the child's efforts and performance rather than the overall outcome of the event. This assists the child in setting realistic goals related to their ability by reducing the emphasis on winning
- Teach children that an honest effort is as important as victory, so that the result of each event is accepted without undue disappointment
- Encourage children to always participate according to the rules
- Never ridicule or yell at a child for making a mistake or losing an event
- Remember that children learn best from example. Applaud participation by all athletes
- If you disagree with an official, raise the issue through the appropriate channels rather than questioning the official's judgment and honesty in public. Remember that officials give their time and effort for your child's involvement

- Support all efforts to remove verbal and physical abuse from sporting activities
- Recognise the value and importance of volunteer coaches. They give of their time and resources to provide recreational activities for the children and deserve your support.

- Substance abuse of any kind is unacceptable

- Respect the official's decisions. If there is a disagreement, follow the appropriate procedure in order to question the decision and teach the children to do likewise
- Never ridicule or scold a child for making a mistake during competition. Positive comments are motivational

- Show respect for each athlete. Without them, there would be no competition
- Encourage athletes to follow the rules and the official's decisions
- Demonstrate appropriate social behaviour by not harassing athletes, coaches, or officials, smoking in competition areas, or being intoxicated

- Encourage all athletes equally

- Be consistent, objective and courteous in calling all infractions
- Officiate according to the rules and where subjective judgment is necessary, decide on the basis of what is fair to all athletes
- Where appropriate, explain rules and-or decisions to athletes
- Condemn unsporting behaviour and promote respect for all opponents
- Use common sense to ensure that the "spirit of the competition" for children is not lost by over officiating
- Ensure that your behaviour is consistent with the principles of good sporting behaviour. Actions speak louder than words
- Ensure equipment and facilities meet safety standards and are appropriate to the age and ability of the athletes
- Where a breach of any Code of Behaviour occurs and a verbal warning is not deemed to be appropriate, or does not have the desired effect, then the Arena Manager is to be notified immediately

- Ensure rules, equipment, events and training schedules take into consideration the age, ability and maturity level of the participating athletes
- Ensure adequate supervision is provided by competent coaches and officials capable of developing appropriate positive behaviour and skill technique
- Involve where appropriate, athletes in the planning, leadership, and decision making related to the activity
- Remember athletes participate for enjoyment and play down the importance of rewards

- Ensure equipment and facilities meet safety standards and are appropriate to the age and ability of the athletes
- Develop athletes to have a respect for the ability of other athletes as well as for the judgment of officials and coaches
- Follow the advice of a physician when determining when an injured athlete is ready to recommence training or competition
- Make a personal commitment to keep yourself informed of sound coaching principles and the principles of growth and development of children

Weekly competition is held at Langford Oval in conjunction with GDLAC Saturday events.

Is a white top, black bottom – no logos (e.g. Nike, Adidas etc) or as small as possible. No Skins brand. You are to supply your own uniform.

Training

Bullets do not provide coaching and the training is up to the individual athlete. We suggest that if you have recently completed under 17's in Little Athletics, that you get in contact with your old coach and arrange training sessions with them, or alternately with a person of your choice.

ODE TO VOLUNTEERS

**Many will be shocked to find
When the day of judgment nears
That there is a special place in Heaven
Set aside for volunteers**

**Furnished with big recliners
Satin cushions and footstools
Where there is no committee chairman
No group leader or car pool**

**No eager team that needs a coach
No bazaar and no cake sale
Nothing to staple, nothing to fold
Nothing to put in the mail**

**Telephone lists will be outlawed
But a finger snap will bring
Cool drinks and gourmet dinners
And rare treats for a King**

**You ask, who will serve this privileged few?
Who will work for all their worth?
Why, those that reap the benefits
And not once volunteered on Earth!**
